Dear Ms. Raudez,

On behalf of everyone at Little Red Door Cancer Agency I would like to thank you and Beckman Coulter for your outstanding support of our 8th Annual *Unite 2 Fight Race Against Prostate Cancer*.

This year nearly 2,000 men and women participated in the run/walk and we were able to screen more than 500 for prostate cancer through your help.

Contributions from the race will support Little Red Door's prostate cancer screening program and will specifically pay for the screening costs associated with the PSA exam for men in central Indiana who have little or no insurance.

Your gift and your support can and will save lives. We are profoundly grateful for your generosity and look forward to working with you again!

For the future of those we serve,
