Beckman Coulter Foundation

Brea, CA 92822-8000

Dear Russ:

Thank you very much for the Beckman Coulter Foundation's gift to the UCLA Department of Urology. Dr. Leonard Marks is an exceptional physician-scientist, and I am grateful for the Foundation's generosity in supporting his Active Surveillance of Cancer of the Prostate project. This assistance will enable Dr. Marks and his colleagues to continue their remarkable progress in detection and treatment for the benefit of countless patients.

We are pleased to have you and the Foundation as partners in working to improve the health of our communities. For all of us at UCLA, I offer my deepest appreciation.

Sincerely,
